// A GENUINE SPACE MARVEL

CONCORD QUIX

CONCORD®
JUST ADD LIFE

// THE NEW SMART BUGGY QUIX: MINI OUTSIDE, MAXI INSIDE

Compact and comfortable – the innovative CONCORD QUIX is the first buggy to combine both advantages. The completely new wheel concept with DUO COMPACT tyres allows narrow external dimensions and yet generous internal dimensions. This makes the smart buggy CONCORD QUIX the perfect town runabout: compact and flexible, even in the smallest spaces, but offering the child complete seating comfort. The narrow wheels also offer parents a significant amount of legroom when pushing.

1 MAXIMUM SEATING COMFORT

The very comfortable leg rest and the well-upholstered seating space ensure maximum comfort whilst travelling; the seating position is infinitely adjustable with a single hand.

2 COMFORTABLE LYING AREA

The smart buggy's extra-high back rest can be folded out to provide a virtually flat lying area. Ideal for a short rest break when travelling.

3 LARGE SUNROOF

The smart buggy has a very large two-way adjustable and removable sunroof that is water-repellent and fitted with UV 50+ sun protection.

4 SNUGGLE PROTECTIVE COVER

Protects the inside of the buggy from wear and dirt; the child also sits on a soft seat with even better cushioning.

FLEXIBLE AND SECURE

// DUO COMPACT tyres: all wheels have ball bearings; front wheels can be swivelled and locked
